

Vehicle Tracking Equipment

A CLS finance lease is the perfect way to fund new vehicle tracking equipment. A finance lease can be tailored to a specific monthly budget and the payments are fixed for the duration of the Agreement.

Consider the benefits:

- Payments are 100% tax allowable - [find out more](#)
- Terms available from 1-5 years
- Correct equipment now, why compromise?
- New start businesses accepted - [find out more](#)
- Existing credit lines remain intact
- Finance available from £1000 +

Leasing has always been a popular method for businesses to acquire new equipment and with main stream bank lending still difficult to achieve more and more businesses are choosing a CLS flexible finance lease.
